Tasting Notes

Brilliant, intense yellow colour. The complex nose reveals Sauvignon Blanc's plethora of aromas, ranging from boxwood to tropical fruit and an array of citrus notes. The Muscadelle wines are a beautiful golden colour, contributing hints of rose and lychee to the final blend. Starts out delicious, round and rich on the palate, balanced out by wonderful minerality. The overall impression is of a fruity, powerful wine with notes of lemon and fresh pineapple, enhanced by a rich, velvety mouthfeel and a slightly toasty, silky texture. The long aftertaste showcases the complexity of this wine, with ripe fruit notes following through to the finish. These modern wines boast high acidity, conferring good tension and length on the palate. All in all, a gourmet, refined wine with a great deal of elegance.
