LOUIS MICHEL & FILS

Producer

Louis Michel et Fils is synonymous with pure, unoaked Chablis, built on the belief that Chardonnay should transmit site without embellishment. The family's wines are prized for their crystalline expression and restraint.

Tasting Notes

A perfect balance between fresh minerality and very ripe fruit. Warm, delicious and salty on the palate with a spicy, cinnamon finish.

Winemaking

"No added yeast, long fermentation using indigenous yeasts, in temperature-controlled vats. Spontaneous malolactic fermentation. Matured for 12 to 16 months. In stainless steel tanks, with the least possible handling. Long moderately cold stabilisation. Fining using bentonite if necessary. The wine is gently filtered once before bottling."
