Run with fantastic energy by the young Christelle Alias, this 38 ha estate lies at the foot of the Montagne d'Alaric in the northerly, cooler part of the Corbières. In 1997 the vineyards were completely restructured by Christelle's father, Bernard, and are now cultivated organically. Christelle joined her father in 2012 after a tour of the viticultural world and has clearly had fun creating her wines: there is a juicy vibrancy – she clearly aims for freshness and elegance over extraction and power.

Tasting Notes

Pale yellow colour full of shining highlights. The variety “Sauvignon” is not typical from our region, it gives us minerality in our dry « terroir ». On the mouth, you find some lime peel, citrus notes, a crisp and fresh wine. This is a wine easy to drink. Low in alcohol, the wine presents nevertheless a fleshy character testifying of a perfect balance between concentration and freshness. Tasting : A little baby, spicy, grumpy but so sweet !

Viticulture

Clay Limestone

Winemaking

We are no longer able to explain it... under the influence of hormones!
