MURDOCH HILL

## Producer

Based in the Adelaide Hills, Murdoch Hill is a fourth-generation family farm led by Michael Downer, who has brought fresh direction and intent to the estate. Rooted in sustainable viticulture, the project is defined by a desire to express place with honesty and restraint, positioning Murdoch Hill among the region's most thoughtful modern producers. Harriet first tasted these wines at the winery in 2016.

## Tasting Notes

Aromatic and textural style using barrel ferment and skin contact techniques. Made in a gentle off-dry style with aromas of green apple, pear and white flowers. Bright acidity with mouthwatering melon and lime flavours that linger onto a chalky back palate.

## Winemaking

Fruit sourced from the southern Adelaide Hills. Half fudre, half tank fermantation with a maximum of 4 months from tank to bottle.

## Awards

Halliday Wine Companion - 90 points
The Winefront - 94 points
James Suckling - 93 points
