We met Clemence in 2020. She and her husband Baptiste Dubrulle are the fourth generation to make wines here. The style is relatively traditional, with a generous bouyancy about the wines. Open expressions, a welcome embrace! Their vineyards are 'future proofed' against climate change with east and north/east facing slopes. The couple embrace the terroir, focussed on expressions of site over influences from oak.

## Tasting Notes

Rich aromas of different berry fruits. Perfumed and willowy on the palate, the wine expresses a delicate softness. Good ageing potential. "Colour: golden and shiny Nose: complex, with flower notes of honeysuckle, delicate citrus and brioche aromas. Mouth: full, rich, round, fresh and precise"

# Winemaking

100% harvested by hands, pressing without crussing, static settling, alcoholic fermentation in barrels (20% of new oak every year).
