DOMAINE GERARD SEGUIN
GEVREY-CHAMBERTIN

Producer

G rard and Chantal Seguin, along with their son J r me, run this 6.25 ha estate located in Gevrey- Chambertin. Whilst their principal vineyard holdings are in Gevrey, they judiciously bought 2/3rds ha of Chambolle-Musigny in the 1990's and   ha of Fixin in 2006. The vineyards are run sustainably and most of the cellar work, especially the bottling, is done in conjunction with the biodynamic calendar. The fruit here is de-stemmed, fermented in stainless steel for between 15-20 days and then aged in barrel, with up to 50% new oak, for between 15-18 months.

Tasting Notes

Fixin is possibly not as famous as it should be. Made from approximately 40% vines from just below the village of Fixin on the Route des Grands Crus. This is a very well made wine, it has anise and spice with dark ripe fruits and a pleasing purity, it is well rounded and balanced with a long finish.
