Tasting Notes

Purplish-red color. Intense in aromas of black fruits such as blueberries and blackberries. In the mouth it is soft, with pleasant tannins and a wide and persistent volume in the mouth. A wine that will be considered as a new classic of the Maipo Andes.

Winemaking

The 4 different plots of Cabernet Franc and Carménère were vinified independently in stainless steel and French oak vats. It precedes alcoholic fermentation, a cold maceration for 3 to 5 days, to maximize its aromatic potential. After alcoholic fermentation with native yeasts, the wine was transferred to barrels for a period of 14 months.
