WATERFORD
IRISH SINGLE MALT WHISKY

Producer

The World's first Biodynamic Whisky. One of only four organic Whiskies in Britain and Ireland. 'The integrity of what Waterford is, is incorruptible' – Mark Reynier on their whole approach. Unashamedly influenced by the world's greatest winemakers, they obsessively bring the same intellectual drive, methodology and rigour to barley – the very source of malt whisky's complex flavour. Extolling a hundred exclusive farms of Irish-grown barley, they search for natural flavours via three paths: their Single Farm Origins pursue the individualism of terroir-derived flavour; they are the building blocks of our Cuvées, where the whole is greater than the sum. Finally their Arcadian Barley expresses the intensity of flavour from exploring the old ways – of Organic, Biodynamic, Heritage and even Irish-peated barley. Indeed, so thorough is their exploration of the frontiers of natural flavour that they are the world's largest producer of organic and biodynamic whiskies.

Tasting Notes

Pepper up front with oily spiciness that softens, starts dry but then gets mouth-watering & lingers where I close my eyes and relax!

Viticulture

We rigorously apply the ancient terroir methodology to today's verdant landscape of Ireland, home of the world's finest barley. Now for the first time in single malt whisky – unashamedly inspired by the legendary châteaux of France – we reach the apogee of this radical philosophy. Our distillery, the technological marvel we call the Facilitator, enables us to create elite whisky – farm by farm, terroir by terroir. State-of-the-art equipment marries with ancient knowledge, locally grown Irish barley with extended fermentations, unhurried distillation & an array of exceptional oak. It has provided a unique library of Single Farm Origins – each expressing its

own identity, its own voice. This unprecedented spectrum of flavours must now reach its crescendo: we have celebrated & explored the singles; now we produce our more immersive concept album. For layered together in this cerebral fusion of flavours, these component Waterford Whiskies come together, culminating in our ultimate experience: textured, complex & compelling. The Cuvée, a synthesis of Single Farm Origins, an enigmatic gestalt, a milestone in our journey. The definitive Waterford Whisky. Our LodeStar
