## Tasting Notes

Bourgogne aligoté is a delicious white wine that is young, stylish and is a little different. It is pale gold in color and offers a well-balanced taste, and ranges from a fruity bouquet with notes of apple and lemon to a more floral palette. In the mouth, this vibrant wine tickles the taste buds

## Winemaking

Although it is planted in very different winegrowing areas, the Aligoté grape is generally found on limestone soils, often combined with marl or clay. Aligoté is also suited to hilly locations and higher altitudes.
