Vintage	2023

Vegan Vegetarian

Tasting Notes

Light yellow color, aromas of freshly cut flowers, green apple, stone fruits, round and fruity, with pleasant acidity and finish.

Winemaking

We have long standing relationships with the local producers of our area who are growing Roditis grapes and a producer in central Peloponnese, at the Mantineia plateau, who is exclusively growing our Moschofilero grapes. All producers involved are growing the grapes conventionally but with respect to the good farming practices.
