Producer	Monemvasia Winery
Vintage	2023

Vegan

Vegetarian

Tasting Notes

"Bright ruby color, aromas and flavors of red fruits, sweet spices, light structure, with balanced acidity, soft tannins, and a pleasant finish."

Winemaking

We have long standing relationships with the local producers of our area who are growing Roditis grapes and a producer in central Peloponnese, at the Mantinea plateau, who is exclusively growing our Moschofilero grapes. All producers involved are growing the grapes conventionally but with respect to the good farming practices.
