Tasting Notes

"Bright, yellow color, fruity and floral with sweet aromas of citrus fruits, stone fruits, and wildflowers. Medium bodied with a good balance of acidity, and a lasting aftertaste."

Winemaking

We cultivate the Monemvasia variety in our privately owned vineyards organically (we have certification for our grapes) and our yiels are quite low yields are low (about 500Kg/stremma). The region of Monemvasia is warm and dry. The area enjoys high solar exposure and cool sea breezes that are beneficial during the hot summer months. The vines are planted in linear vineyards and are 15-18 years old.
