Producer

Louis Michel et Fils is synonymous with pure, unoaked Chablis, built on the belief that Chardonnay should transmit site without embellishment. The family's wines are prized for their crystalline expression and restraint.

Tasting Notes

Notes of rhubarb and acacia flowers. Buttery, brioche notes in the mouth with a touch of coconut will satisfy even the most discerning palate. "Gourmand, Grand Cru Vaudésir nose reveals notes of rhubarb and acacia flower. Fine and elegant in the mouth, with buttery, brioche aromas, and a dominant hint of coconut."

Winemaking

"No added yeast, long fermentation using indigenous yeasts, in temperature-controlled vats. Spontaneous malolactic fermentation. Matured for at least 18 months. In stainless steel tanks, with the least possible handling. Long moderately cold stabilisation. Fining using bentonite if necessary. The wine is gently filtered once before bottling."

LOUIS MICHEL & FILS
