

Ried Weinberg, Blaufränkisch, Wachter Wiesler

Deutsch Schützen, Austria

Tasting Notes

One of the four spearheads of our business. Old vines deeply rooted in the unparalleled soil structure of the Deutsch Schützen vineyard 'Weinberg'. A lowest intervention wine of particularly elegant expression. A companion for decades that will grow and continually evolve in all of its subtle facets with every year – as long as you have enough patience to wait for it.

Viticulture

Winemaking

Spontaneously fermented in vats, pressed after 20 days, malolactic fermentation, and 30 months of ageing in big old barrels. Unadorned and unfiltered.
