Prunotto

Producer

In 1904 a cooperative Ai Vini delle Langhi was set up by wine growers of the area; this was subsequently taken over and renamed by Alfredo Prunotto in 1923. After another change of ownership, Antinori acquired the estate and have maintained the excellent level of quality sought by Alfredo Prunotto. Prunotto were the first winery to establish the Cru's concept and is one of the top five estates in Piedmont.

Tasting Notes

Barolo Cerretta is a deep garnet red color. The nose is refined and superbly aromatic: intense notes of small red fruit follow over to hints of roses, violets and spicy aromas of pink pepper and cloves. The palate is elegant and balanced with outstanding freshness and well-balanced, lush tannins. Flavors on the long finish echo fruity notes perceived on the nose.

Winemaking

Carefully selected grapes were brought to the cellar, destemmed and crushed. Maceration on the skins lasted for a period of approximately 8 days at a temperature that did not exceed 30 °C (86 °F). Malolactic fermentation was completed before the end of winter. Barbaresco was aged in oak barrels of varying capacities for approximately one year
