### Producer

We met Clemence in 2020. She and her husband Baptiste Dubrulle are the fourth generation to make wines here. The style is relatively traditional, with a generous bouyancy about the wines. Open expressions, a welcome embrace! Their vineyards are 'future proofed' against climate change with east and north/east facing slopes. The couple embrace the terroir, focussed on expressions of site over influences from oak.

### Tasting Notes

Colour: golden and shiny Nose: complex, nice flower intensity, delicate citrus and brioche aromas. Mouth: rich, round but balanced, long and powerfull

### Winemaking

100% harvested by hands, pressing without crussing, static settling, alcoholic fermentation in barrels (20% of new oak every year).
