

Heritage Goldthorpe, Waterford Whisky

Ireland

Product code	FF48NVFC
Grapes	Spirits
Country	IRELAND
ABV%	50
Case Size	6
Closure Style	Screw Cap
Producer	Waterford Whisky
Vintage	NV

WATERFORD
IRISH SINGLE MALT WHISKY

Producer

The World's first Biodynamic Whisky. One of only four organic Whiskies in Britain and Ireland. 'The integrity of what Waterford is, is incorruptible' – Mark Reynier on their whole approach. Unashamedly influenced by the world's greatest winemakers, they obsessively bring the same intellectual drive, methodology and rigour to barley – the very source of malt whisky's complex flavour. Extolling a hundred exclusive farms of Irish-grown barley, they search for natural flavours via three paths: their Single Farm Origins pursue the individualism of terroir-derived flavour; they are the building blocks of our Cuvées, where the whole is greater than the sum. Finally their Arcadian Barley expresses the intensity of flavour from exploring the old ways – of Organic, Biodynamic, Heritage and even Irish-peated barley. Indeed, so thorough is their exploration of the frontiers of natural flavour that they are the world's largest producer of organic and biodynamic whiskies

Tasting Notes

Arcadian Farm Origins explore the natural flavours of days gone by, a taste that time has forgotten. Eschewing the quotidian varieties of today, we are curious to unearth long-forgotten barleys – where natural flavours evolved over centuries in harmony with landscape, soil & climate. We venture back in time to reintroduce the iconic variety Goldthorpe, found as a single, fortuitous mutation in a Yorkshire barley field in 1889. Over half a century later, the pioneering barley breeder, Dr Hunter, declared, 'It was, & still is, one of the best quality varieties in existence.' We are proud to present our nearest thing to time travel to a new era of single malt connoisseurs
