The Lamy family have been working vines in Burgundy since 1640, but it wasn't till 1973 that Hubert Lamy created his own domaine on 8ha. Having studied winemaking and gathered experience from time working in other domaines, Oliver Lamy joined the family business in 1995. His approach is very focused on the vineyard and thanks to the limestone influence here, Chardonnay dominates at 80% of the plantings. Currently there are 18.5ha of vines over 20 appellations producing 110,000 bottles. He prefers to use oak in the form of the larger demi-muids, used to add texture rather than influence flavour.

Tasting Notes

An expressive nose of dark cherry and pungent earth aromas. There is good richness and plenty of energy on the palate with a lingering finish.
