We met Clemence in 2020. She and her husband Baptiste Dubrulle are the fourth generation to make wines here. The style is relatively traditional, with a generous bouyancy about the wines. Open expressions, a welcome embrace! Their vineyards are 'future proofed' against climate change with east and north/east facing slopes. The couple embrace the terroir, focussed on expressions of site over influences from oak.

Tasting Notes

Led by soft apple tones on the nose with white pepper hints. There's a salty density with fine acid lift on the core. Crunchy green apple with a creamy mouthfeel at the end.

Winemaking

"100% harvested by hands, pressing without crussing, static cold settling. Elevage 100% Stainless steel tank."
