Tasting Notes

"This wine presents a pale yellow color with green reflections, accompanied by a fine mousse. The nose offers aromas of white flowers such as acacia and hawthorn, along with notes of hazelnut, toasted bread, and exotic fruits like mango. On the palate, it is refreshing, with a creamy and pleasant mousse."

Winemaking

"The Chardonnay grapes are harvested at night, destemmed and crushed. Cold maceration at (3°C) during 12 hours to preserve their aromas. After pressing, the must is fermented with our 'natural levain', indigenous yeasts and lactic bacteria. After filtration, sparkling by gasification and bottling. Levin Blanc de Blancs is then pasteurised."
