We're thrilled to introduce our new range of Jura wines from a 6ha domaine founded by Christophe Perrin in 1998.

Domaine Perrin is a true hidden gem of the Jura region. It is based in the village of Vernantais close to Arlay and Lons Le Saunier on marl-limestone soils in Côte du Jura. In 2022 his son Yoann joined and is now in charge of the vineyard and winemaking.

The objective is clear; rigorous work in the vineyard and as little intervention as possible in the winery. Yoann gained experience in Burgundy, spending time learning at Ramonet and Tolle-Baut before returning to the family fold. The wines have gained in modernity, finesse, and elegance.

The style of the selection is very Burgundian while retaining the typicity of Jura wines. There is an elegance and resounding completeness to them all, in part thanks to the impressive 60 year old vines. Climatically Jura has its problems to face, it is however an exciting time for this winery.

Tasting Notes

Notes of fresh red fruits and great finesse thanks to its ageing process.

Viticulture

Vines around fifty years old, situated on the slopes of the Val de Sorne, facing due south. The soil is composed of marl.

Winemaking

Winemaking: Manual harvesting and sorting. Fermentation and ageing in oak barrels. AGEING: 12 months in oak barrels.
