Vegetarian

Tasting Notes

With a deep red color, Cap Royal Rouge expresses its beautiful youth. The nose is complex and powerful. Woody notes, black fruit notes, and liquorice notes intertwine and give off a very open nose. The attack is frank and powerful, with silky and enveloped tannins, offering a beautiful balance to the palate. The finish, long and aromatic, prolongs the pleasure of this tasting.

Viticulture

CAP ROYAL Bordeaux Supérieur is made from batches selected for their quality and complexity by Pierre Montégut from partner winegrowers. Aged in oak barrels in the pure Bordeaux tradition. CAP ROYAL Bordeaux Supérieur is the promise of a pleasure wine signed by a great vineyard in the Médoc.

Winemaking

WINEMAKING In stainless steel tanks with temperature control. **AGEING** For the CAP ROYAL Bordeaux Supérieur, aging in oak barrels brings a slightly woody note and length on the palate. This careful aging is carried out under the regular supervision of Pierre Montégut. It ensures quality monitoring throughout this period.
