EL ESCOCÉS VOLANTE

Producer

A family owned business based in Aragón, Spain, passionate about producing high quality wines with a particular focus on the native Garnacha variety. Owner and winemaker is Norrel Robertson MW, he drives forward their believe that quality is born in the vineyard, endeavouring to make authentic wines that are the true expression of their terroir. Sustainability starts with the rescue of old vines, no irrigation, no over cropping, no pesticides. They create their own biochar from vine prunings to sequester carbon, bottles are light, labels are made from sugar cane and hemp paper. Sharon and Norrel continue to build their family business for the future.

Tasting Notes

"Flinty, citric, pithy and saline with a long finish."

Winemaking

High altitude vineyards, quite a rare grape variety only found around the village of Villamalea. A true discovery.
