QUINTA DA FONTE SOUTO
PORTALEGRE

Producer

High in the Serra de São Mamede, Quinta da Fonte Souto represents the Symington family's cooler, elevated vision of Alentejo. Altitude, granite and surrounding woodland give these wines a freshness rarely associated with the region.

Tasting Notes

Deep garnet colour of a still young wine. Forest floor, aromatic herbs, clove and cardamom. Blackcurrant and liquorice notes.Voluminous and concentrated with suggestions of black tea, dark chocolate and damson plum. Peppery tannins impart firm structure. Undoubted aging potential.

Winemaking

The hand-picked grapes are placed in small, shallow boxes and taken to the on-site winery. Manual sorting is followed by destemming and gentle crushing after which grapes are transferred to the fermentation vats. Fermentations are individually monitored, and the temperature and macerations are adjusted to maximise the potential of each fermenting batch. A period of post fermentation maceration follows to encourage the extraction of some tannin from the pips to complement those extracted from the grape skins. This adds structure and longevity to the wines.
