Founded in 1970 in Margaret River within sight of the sea, Cape Mentelle is one of the region's original estates and has played a defining role in its rise to international recognition. Today the winery continues to focus on site expression and responsible vineyard management, combining regional heritage with a forward-looking approach to modern Australian wine.

Tasting Notes

APPEARANCE Dark purple. NOSE The rich fruit profile has attractive notes of dark berries and plum compote with a savoury side showing cracked black peppercorns and a touch of smoky bacon. PALATE This smooth, flowing Shiraz is very well integrated. Bright, pulpy fruit across the mid-palate is sprinkled with tangy sumac spice.
