The winery's name is inspired by the family's values and its connection to the land, specifically reflecting the founder's daughter, Julia Zuccardi. As the business continues to grow, the winery remains dedicated to producing wines and olive oils that showcase their passion for the region and commitment to environmental stewardship. Today, Zuccardi is recognized as one of the most important wineries in Argentina, both for its contribution to the country's wine industry and its leadership in organic farming.

Tasting Notes

This wine expresses the micro-terroir of our Finca Las Cerrilladas vineyard in Gualtallary, at 1,460 meters above sea level. Its intense purple color reflects the high solar radiation and exceptional light purity of the site. The nose is dominated by aromas of blue fruits, fresh plums, and herbal notes of jarilla and thyme. On the palate, it shows firm tannins, a pronounced chalky texture, and vibrant acidity. Its wild and powerful character is a true expression of this unique place in Gualtallary.

Winemaking

"Manual harvest with selection of bunches. Filling of vessels by gravity. Fermentation with native yeasts in concrete vessels. Aging in concrete vessels."
