Zuccardi Valle de Uco brings together three generations of our family, united by our passion for cultivating wines that express the unique identity of the terroir

Zuccardi, founded by José Zuccardi, is a family-owned winery with a strong commitment to sustainability, innovation, and quality. The winery's name is inspired by the family's values and its connection to the land, specifically reflecting the founder's daughter, Julia Zuccardi. As the business continues to grow, the winery remains dedicated to producing wines and olive oils that showcase their passion for the region and commitment to environmental stewardship. Today, Zuccardi is recognized as one of the most important wineries in Argentina, both for its contribution to the country's wine industry and its leadership in organic farming.

Tasting Notes

Lots of herbs, white pepper, peppercorns and chalk. Great depth on the nose with super fresh blackberries and dusty tannins that melt away. Incredible powdery tannins still remain fresh. Brooding and austere in nature, but the tannins are so seamless and sweet, which almost give a hedonistic mouthfeel. This is thought-provoking. Extremely flavorful, long, ductile and nuanced. Already drinkable now, but will hold well.

Winemaking

"In the search for the purest expression of the identity of Finca Piedra Infinita vineyard, we reached this small plot of 0.73 hectares. Located on its north-east side, it shows the typical facet of Paraje Altamira soil, with large gravels and granite stones covered with calcareous material at a depth of 40 cm. Manually selected grapes, filling of tanks by gravity. Fermentation with native yeasts in concrete vessels without

epoxy. Aging in concrete vessels."
