Zuccardi Valle de Uco brings together three generations of our family, united by our passion for cultivating wines that express the unique identity of the terroir

Zuccardi, founded by José Zuccardi, is a family-owned winery with a strong commitment to sustainability, innovation, and quality. The winery's name is inspired by the family's values and its connection to the land, specifically reflecting the founder's daughter, Julia Zuccardi. As the business continues to grow, the winery remains dedicated to producing wines and olive oils that showcase their passion for the region and commitment to environmental stewardship. Today, Zuccardi is recognized as one of the most important wineries in Argentina, both for its contribution to the country's wine industry and its leadership in organic farming.

### Tasting Notes

Aromatic dried herbs blend with concentrated notes of cherry on the nose of this Paraje Altamira Malbec. It delivers fresh red plum and mulberry flavors, enhanced by subtle hints of rosemary on the velvety palate. Excellent acidity provides energy, leading to a tasty, saline aftertaste.

### Winemaking

"Movement of the grapes by gravity, fermentation in concrete vessels with native yeasts. Aged in concrete vessels."
