Vintage	NV

Vegetarian

TENUTA
TIGNANELLO

Producer

An iconic estate, producing Sangiovese based wines blended with Cabernet Sauvignon. A leading 'supertuscan'. Lying in the heart of Chianti on 319 hectares of land, the estate has two prized vineyards; Tignanello and Solaia. The soils of these vineyards originate from marine marlstone, rich in limestone and schist. The vineyards are instantly recognisable with the white stones reflecting the sunshine back onto the vines.
