Tasting Notes

Fresh and elegant nose, very focused on light fruit and floral notes. Lively and fresh on the palate, with a long finish supported by a nice soft texture. Aromas of mandarin, acaia blossom and chamomile support this impression of freshness. A slight hint of bitterness underlines the fresh and perfumed finish.

Viticulture

Crafted and aged in the Stealth Cellar with the same care as the estates Grand Vin. From the vineyard to the cellar the entire wine making process is exactly the same.

Winemaking

Grapes are handpicked into small crates and pressed in an oxygen-free environment (to preserve the aromatic potenial of the berries). Fermentation takes place in French Oak Barrels after a cold settling of the juices. Ageing: 10 months on the lees in barrels.
