Tasting Notes

A light yellow in color with a creamy bubbling and an elegant and persistent sparkle. The aromas recall white peaches, bread crusts, and yeast. The notable balance and liveliness are typical of a well made Brut. The ideal serving temperature for the wine is between 45° and 48° Fahrenheit (7°-9° centigrade)

Winemaking

The must was fermented in stainless steel tanks. The second fermentation took place in bottle and the wine remained on its lees for 36 months before dégorgement.
