Closure Style	Cork
Producer	
Vintage	2019

Vegan Vegetarian

Tasting Notes

Characteristics . vividly blackberry, cherry and plum character. With excellent depth and concentration. A charming long keeping wine. "The attack is fresh and expressive. The structure is tightened with powerful but soft tannins at the same time, furnished by the beautiful Cabernet (Sauvignon and Franc) of that vintage. That young wine presents a beautiful length and a lot of taste for a beautiful capacity of ageing. Wait until 2025 for tasting with an ageing potentiel until 2045."

Viticulture

In the heart of the Moulis commune of the Médoc, Chasse Spleen's vineyards are situated in the sector of Grand-Poujeaux, one of the three sub sections of the region. Along with Cap de Haut and Grannins, the soils of Grand-Poujeaux were created over millions of years as stones were moved from the Pyrenees and the Massif Central by the River Garonne. The land is made up of a layer of gravel over limestone and clay, forming a perfectly drained soil. The vineyards are planted with Cabernet Sauvignon, Merlot and a small amount of Petit Verdot and the planting density is 10,000 vines per hectare. They are managed according to the Haute Valeur Environnementale charter.
