Tasting Notes

Chalky soils give this Pouilly-Fuisse "Les Crays" its character. It expresses delicate floral aromas with hints of undergrowth and citrus fruit. Due to the soil, this Pouilly-Fuisse is underlined by a strong minerality but also expresses delicate floral aromas with notes of citrus and undergrowth.

Winemaking

A blending of plots, all from the villages of Solutré & Vergisson, at the foot of the famous rock of Solutré. The grapes are hand-harvested when fully ripe and pressed immediately by pneumatic press. The juice goes through static settling. Only the clear juices are matured in old barrels, for alcoholic and malolactic fermentation. The wine is matured on the lees and regularly stirred. It is then fined and filtered before bottling.
