### Producer

An estate in the Baumard family since the 17th century, the wines only really came to the fore under the stewardship of Jean Baumard, professor of viticulture and oenology, who from the mid-1950s brought a dynamic and scientific edge to the grape growing and wine production. Jean, after purchasing land in Savennières became the first vigneron of the region to own land on both sides of the Loire River. In the late 1980s, Jean's son, Florent, took over the 40 hectare property after his studies in Burgundy and set about adding a certain flair to the wines, building upon Jean's precision. Unoaked Chenin Blanc wines are the focus of the domaine whether they be dry (Savennières), sweet (Coteaux du Layon and Quarts de Chaume) or sparkling. They have incredible ageing potential of several decades.

### Tasting Notes

This wine is distinguished from the other Savennières of the domaine by its character. Fresh and full of minerality while staying powerful, it exudes all the aromatic richness and elegance of Chenin Blanc grown on a great terroir. Much like a butterfly, the wine seems to flutter and fly. A Lively and fresh attack, on peach and apricot. A tense wine that develops noble notes of beeswax and then rolls on pretty bitters at the end of the mouth, carried by pink grapefruit and yellow lemon.

### Viticulture

Can be paired with a wide range of dishes at the table bringing many flavours into balance. hors d'oeuvres, oysters, shellfish, cooked, grilled or sauced fish and veal
