Producer	Domaine De La Vinçonnière
Vintage	2025

HVE Vegan

Vegetarian

Producer

Sylvie and Laurent Perraud farm 47 ha around the town of Clisson, one of the Muscadet region's most prestigious communes. The sloping vineyards are a complex make up of clay, gravel, schist, loam, sand and granite which Laurent farms according to the Terra Vitis charter. The long sunshine hours together with the proximity of the Atlantic provide the region with the key elements of heat, rain and wind for the production of healthy grapes. In the winery, Laurent likes to keep things simple; direct pressing followed by fermentation in tank and overwintering the wines on their lees to gain more body.

Tasting Notes

This wine has a shiny straw yellow color and a strong nose with hawthorn, citrus and lemon aromas. In the mouth, the attack is excellent and fresh, harmonious and concentrated, giving this wine a real aging potential.

Viticulture

Sylvie and Laurent Perraud farm 47 ha around the town of Clisson, one of the Muscadet region's most prestigious communes. The sloping vienyards are a complex make up of clay, gravel, schist, loam, sand and granite which Laurent farms according to the Terra Vitis charter. The long sunshine hours together with the proximity of the Atlantic provide the region with the key elements of heat, rain and wind for the production of healthy grapes.

Winemaking

"• Maturity controls to determine the harvest date • Direct pressing • Winemaking in tanks with temperature controlled fermentations • Wine making process and storage on lees all winter long • Filtration and bottling starting in the spring"
