Vegetarian

Producer

Based in Clisson, one of Muscadet's most prestigious communes, Domaine de la Vinçonnière is farmed by Sylvie and Laurent Perraud, who work 47 hectares of sloping vineyards shaped by Atlantic influence and long sunshine hours. The estate focuses on healthy fruit and site expression, producing Muscadet of balance and precision.

Tasting Notes

Raspberry coloured, easy drinking and thirst quenching. Strawberries, raspberries and redcurrants on the nose and the palate. This wine with a bright and crystalline robe recalls the color of rose petals with cherry and raspberry red reflections. On the nose, its bouquet of red fruits (strawberries, raspberry, redcurrant) gives it a tone that is both fresh and tangy.

Winemaking

Mechanical harvest . Fermentation in thermoregulated stainless steel vats at 18°C . Skin maceration for a third of the grapes . Direct pressing for the remaining part of grapes . Bottling at spring time the next year"
