### Producer

A family owned business based in Aragón, Spain, passionate about producing high quality wines with a particular focus on the native Garnacha variety. Owner and winemaker is Norrel Robertson MW, he drives forward their belief that quality is born in the vineyard, endeavouring to make authentic wines that are the true expression of their terroir. Sustainability starts with the rescue of old vines, no irrigation, no over cropping, no pesticides. They create their own biochar from vine prunings to sequester carbon, bottles are light, labels are made from sugar cane and hemp paper. Sharon and Norrel continue to build their family business for the future.

### Tasting Notes

Expressive, open, spicy and smoky, with abundant, fine-grained and chalky tannins. It's juicy, full-bodied and manages to keep the freshness and tension.

### Winemaking

A percentage aged in French and American oak
