Tasting Notes

Vivifying and fresh nose. Citrus, lemongrass and mint pepper. Dense and fresh in the palate. Saltiness in the finish. Fresh, pure and elegant with blackcurrant leaf and gooseberry on the nose.This is textbook Sancerre which has fruit and minerality in perfect proportions. Fresh citrus fruit acidity supports stony fruit and minerality on the palate.The wines from Francoisand Carine Crochet are some of the most precise and refined Sancerre around. With powerand elegance and purity this wine really stands out.

Winemaking

Whole grape pressingis combined with asequential program to allow averygentle extraction of the juice. Afterastatic settling period the juice is racked and the alcoholic fermentation takes place for 3 to 4 weeks, using natural yeasts. When complete the wine is matured on its fine lees for 6 months in stainless steel.Then the wine is filtered on cellulose plates before bottling.
