### Tasting Notes

ruby red with an intense, complex nose presenting notes of cherry, strawberry and blond tobacco. The palate is powerful and inviting with smooth, silky tannins.

### Winemaking

"Formed by a gentle, sloping plot, the west-facing vineyard enjoys ideal sun exposure, thanks to which some of its parcels were spared from the great frost of 1956. The Merlot and Cabernet Franc vines, of an average age of 40 years, are planted on gravelly clay enhanced by an iron-rich subsoil. The vineyard is maintained traditionally and conscientiously throughout the year. Vinification takes place in thermo-regulated concrete tanks, and aging is carried out in oak barrels (35% new) for 12-14 months. Situated in one of the warmest parts of Pomerol, Château Bourgneuf produces wines that are deep and dense, layered and complex, with perfectly rounded tannins. The wine's ripe fruit aromas make it seductive when young, but a few years of cellaring are strongly rewarded."

### Awards

James Suckling, 91 pts: « A wine with a pretty ripe-fruit character and ripe, chewy tannins. Some toasted oak as well. I think it needs another two or three years to soften the tannins and bring it all together. Serious 2011 Pomerol. »
