Tasting Notes

Deep coloured, full bodied, rich, spicy red with vanilla and cinnamon notes from American oak. Older vine Garnacha and Cariñena vines contribute complexity and depth to this seriously delicious wine. Savoury, mineraly flavours from old vine Garnacha and Cariñena complemented by the smokiness and backbone of Syrah and Cabernet

Winemaking

From Pepe Fuster's organically certified 28 hectare estate. The wine is stainless steel fermented and then spends around a month in contact with French oak staves to give the wine a kiss of oak without detracting from its wonderful fruit.
