### Tasting Notes

2018 : beautiful deep color, aromatic, ripe black and red fruits (plum, red berries), settled, mild spices, light earth and oak influence. Generous mouthfeel, then welcome freshness and balance at the core, with a fine texture, ripe tanins, dark fruits, a touch of minerality and spices on the edges. Expressive finish, nice balance, with good length. Very enjoyable. Settled wine, still developing.

### Viticulture

Lussac-Saint Emilion extends north of Saint Emilion and this estate covers 4.5 hectares on a limestone plateau with a clay topsoil. Located on the 45th parallel, Saint Emilion enjoys a moderate ocean climate with warm summers and mild winters. The vines are planted at a density of 5,500 plants per hectare and they average 25 years old. The estate practises sustainable viticulture. The blend is made up of Merlot (75%) 20% Cabernet Franc (20%) and Cabernet Sauvignon (5%).

### Winemaking

Assemblage : 80% Merlot, 20% Cabernet Franc. Terroir : Limestone & Clay Limestone. freshness and minerals Aging in Tank (moderate alternative toasting, staves), few oak barrels.
