Producer

Run with fantastic energy by the young Christelle Alias, this 38 ha estate lies at the foot of the Montagne d'Alaric in the northerly, cooler part of the Corbières. In 1997 the vineyards were completely restructured by Christelle's father, Bernard, and are now cultivated organically. Christelle joined her father in 2012 after a tour of the viticultural world and has clearly had fun creating her wines: there is a juicy vibrancy – she clearly aims for freshness and elegance over extraction and power.

Tasting Notes

Beautiful purple dress, supported. The nose is expressive, marked by spicy and roasted notes, then revealing aromas of vanilla and ripe red fruits. The mouth, both powerful and balanced, has a beautiful aromatic persistence.

Viticulture

Clay Limestone

Winemaking

The three grape varieties are vinified separately, cold grenache, syrah and carignan in maceration for several weeks with a gentle and limited extraction in the spirit of an infusion. The blend is carried out after malo to obtain the best harmony of the fruit.
