Run with fantastic energy by the young Christelle Alias, this 38 ha estate lies at the foot of the Montagne d'Alaric in the northerly, cooler part of the Corbières. In 1997 the vineyards were completely restructured by Christelle's father, Bernard, and are now cultivated organically. Christelle joined her father in 2012 after a tour of the viticultural world and has clearly had fun creating her wines: there is a juicy vibrancy – she clearly aims for freshness and elegance over extraction and power.

Tasting Notes

This wine has a beautiful pale yellow color, with green reflections, typical of the grape variety. The nose is very intense and characteristic, mixing mineral notes with the scents of grapefruit and blackcurrant bud. The mouth is very lively, but without any tannic aggression. Not very alcoholic, the wine nevertheless has a fleshy character testifying to a perfect balance between concentration and freshness.

Viticulture

Clay Limestone

Winemaking

12h film maceration. Ageing on lees with daily batonnage for 1 month.
