Certified biodynamic in 2015 Domaine Michel Magnien (18ha) is run by forward thinking 5th generation winemaker Frédéric Magnien. This conversion has released a greater expression of terroir in the wines. In 2015 Frédéric ceased using new French oak barrels, replacing them with 160 litre terracotta amphora. In our tasting we tasted barrel versus amphorae, it was obvious to see that the amphorae brings a freshness and life to the wines that the oak cannot provide. All of the wines we have brought in are aged in amphorae. The style of Frédéric's wines seeks freshness and fragrance. Many of his vineyards are at higher altitudes, naturally producing cooler climate expressions. Monts Luisants is planted at 350m, high for the rolling hills of Burgundy.

Winemaking

Vines grow on limestone outcrops covered in thin, red-coloured soils, containing marl, iron and stones, some of which are fairly sizeable. The rocky subsoil is highly resistant but fissured, allowing the vine roots to dig down deep, hence their surprising longevity. Certain plots can reach up to 100 years' of age.
