### Producer

For over 130 years the Serena family have been involved in the production of high quality wine. Gerado and Giorgio, the fifth generation of the family continue the tradition of sourcing Glera grapes from around the Treviso area where the best soils and climate conditions give wines with a uniquely fruity character.

### Tasting Notes

The wine pours a bright straw yellow colour, with some greenish hints; the nose is pleasant and fruity, with good intensity. It has a fresh flavour, and to the palate the wine is pleasant and harmonious.

### Winemaking

Produced by the tank method to 3 bars of sparkling pressure
