Producer

For over 130 years the Serena family have been involved in the production of high quality wine. Gerado and Giorgio, the fifth generation of the family continue the tradition of sourcing Glera grapes from around the Treviso area where the best soils and climate conditions give wines with a uniquely fruity character.

Tasting Notes

Prosecco, in the spumante version, is a wine capable of teasing and satisfying even the most demanding palates. It has a bright straw yellow color with a fine and persistent perlage. The bouquet is complex with hints of rose, jasmine, wisteria and acacia flowers. There are fruity notes of apple, banana and pineapple, with mineral nuances. Fresh, particularly sapid and with excellent persistence.

Winemaking

Fully sparkling produced by the tank method
