

Chardonnay 'Le Petit Moe', Vin de France, Simone Joseph

Tasting Notes

A light medium bodied wine from grapes grown in the hills to the west of Montpellier. Tank fermented, it has lovely honeyed fruit and plenty of freshness. Unoaked, so pure Chardonnay.

Viticulture

The wines of Simone Joseph are inspired by the beauty and diversity of the Languedoc. Such is the contrasting landscape, on occasion, non-native and non-typical grapes of the region can flourish. The hilly Cevennes region to the north and the Mediterranean to the south provide great terroirs to produce rounded and elegant wines.
