

Sauvignon Blanc HB, El Caminador

Tasting Notes

Greenish yellow colour. Fresh and aromatic nose. With herbal notes and a touch of grapefruit which is very comun with this variety. Fresh mouth. Balanced acidity. Smooth and persistent finish.

Winemaking

Vines between 40 and 50 years old. Aluvial soil, with a Mediterranean weather. Low temperatures during winter and moderate rainfall it allowed to maintain a good reserve of water during the spring, when days were colder than the previous harvest. A summer with rainfall that fortunately had no repercussions due to the phenological stage in which the grapes were at that time. Aromatic and acidity. Harvest took place the first week of March.
