Vintage	2021

Vegan

Vegetarian

Teusner

Producer

A company born from a chat over a pint in 2001. Kym Teusner and Mick Page, overheard a couple of grape growers talking about grubbing up their 85 year old Grenache vines. The guys stepped up and offered the growers four times what they'd be paid for the crop before. This stance is the cornerstone of their business, treating growers with the respect they deserve. Kym and Mick make the kind of wines they like to drink, we liked them too when we visited back in 2016. The wines are full of character, edged with the old vine complexities that we love. It's exciting, after so many years of keeping in touch with progress at the winery that we finally have the wines in Ireland.

Tasting Notes

The wine is only just medium bodied, which, when combined with the bright acidity and the complex but fresh aromatic makes it such a refreshing and enjoyable drink that can be enjoyed with almost any food!

Awards

93pts - Dave Brookes - Halliday Wine Companion - Sourced from Barossa Valley grenache vines up to 65 years old, matured 10 months in mostly seasoned French oak puncheons and hogsheds. Notes of raspberry coulis, maraschino cherries and red plum along with dabs of Asian spice, jasmine, ginger cake, purple flowers, red frogs and earth. Super-floral and lifted on the palate, with juicy plum and dried cranberry notes. It's light on tannin, with just a hint of alcohol warmth.
