Case Size	6
Closure Style	Screw Cap
Producer	Trizanne Signature Wines
Vintage	2020

Vegan

Vegetarian

TRIZANNE SIGNATURE WINES

Producer

Trizanne Barnard cut her teeth at the world-famous Klein Constantia winery. But since 2008 she's been making her own path in the wine world with Trizanne Signature Wines. Focusing on the regions of Elim on the southernmost tip of the Western Cape and by contrast, the hot, dry climate of Swartland.

Tasting Notes

Vibrant and fresh notes of passion fruit, citrus and subtle herbal notes with a distinct minerality expected from this cooler climate. A beautiful salinity runs through the wine. Vibrancy on the palate which builds and encapsulates the aromas, with lovely structure and tension. Finishes on a dry, clean and very classy note.

Winemaking

Harvest started in the middle of February and continued for two weeks. Cold fermentation of the different Sauvignon Blanc parcels happened separately in tank with extensive lees contact for approximately 6 months after primary fermentation. Followed by meticulous blending and bottling in December 2021.
